

BA trajectories · treelID 215819

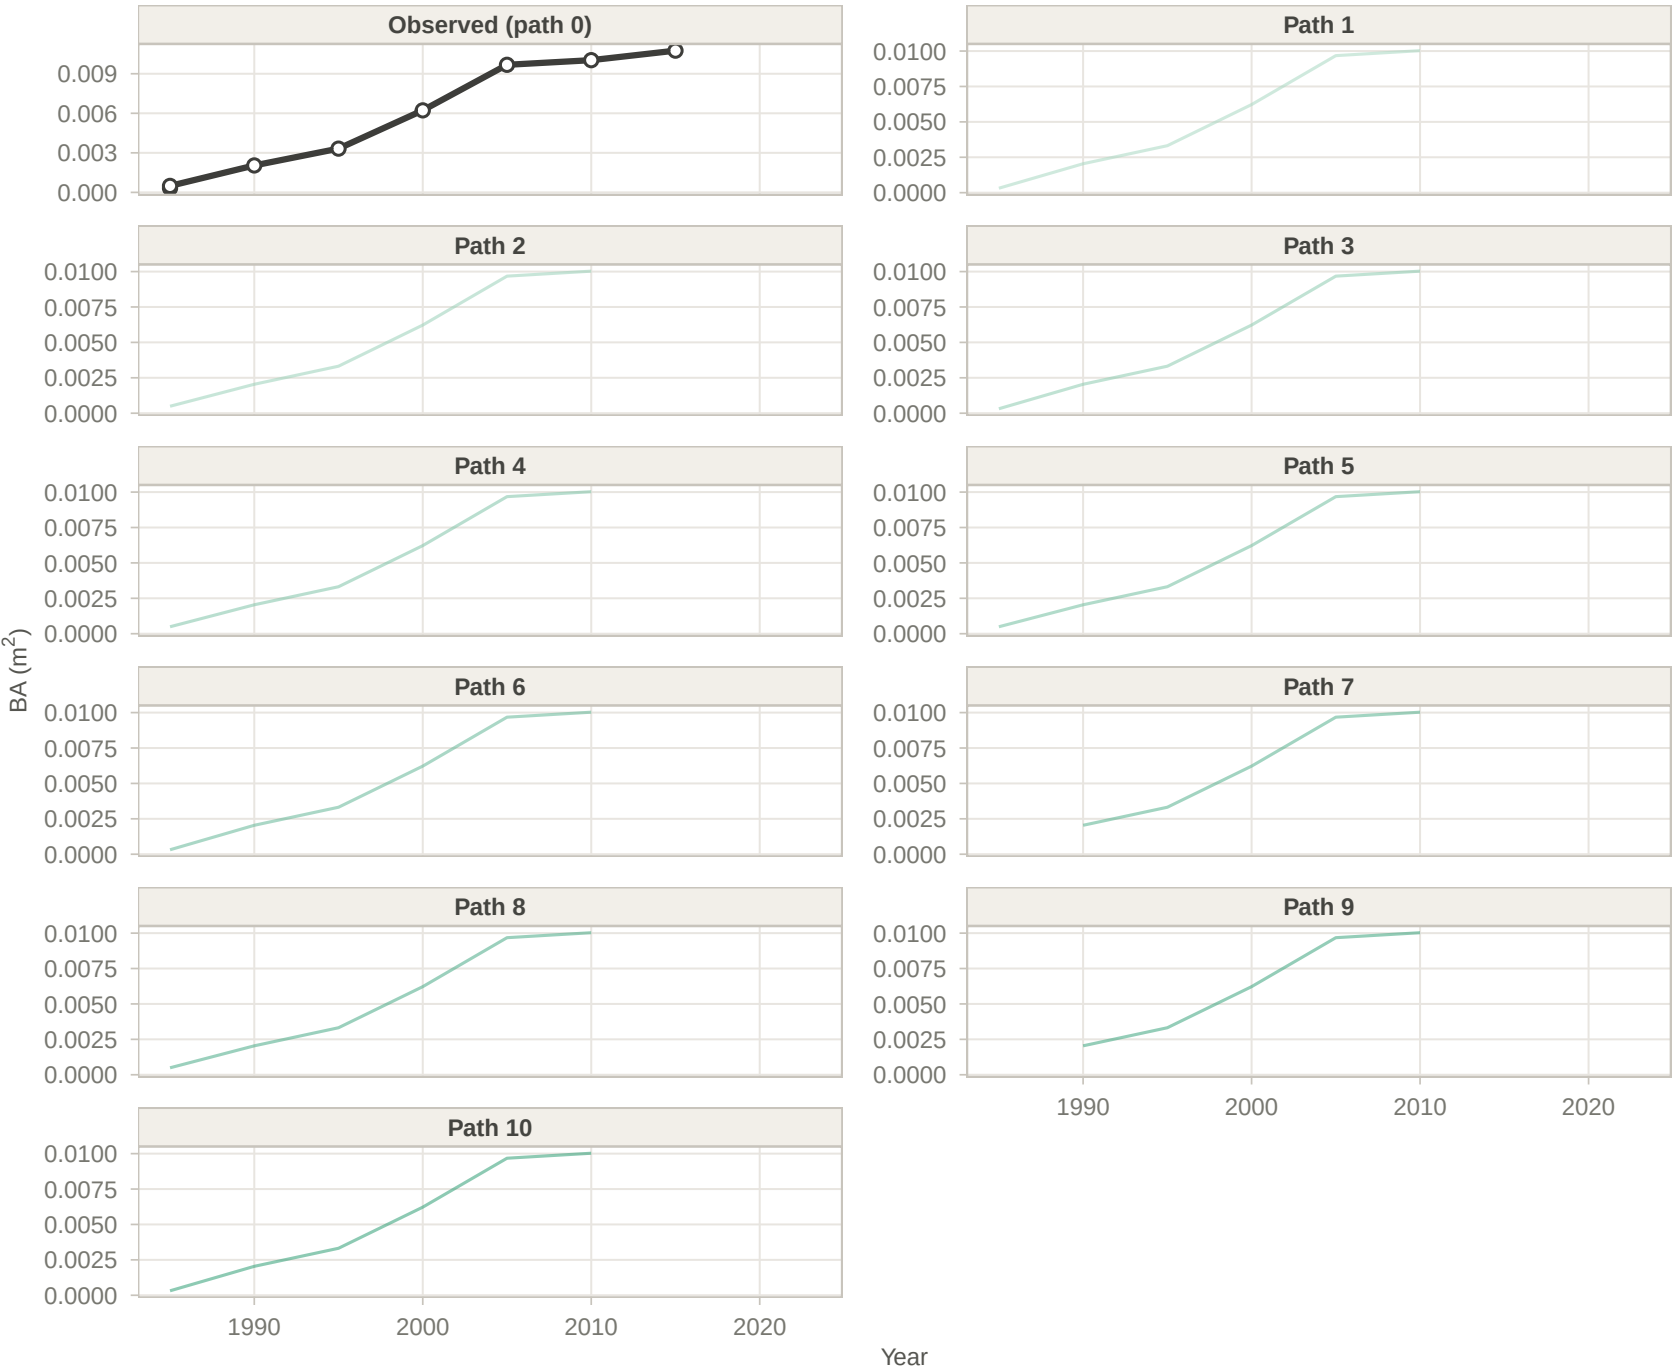

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

BA trajectories · treelID 168922

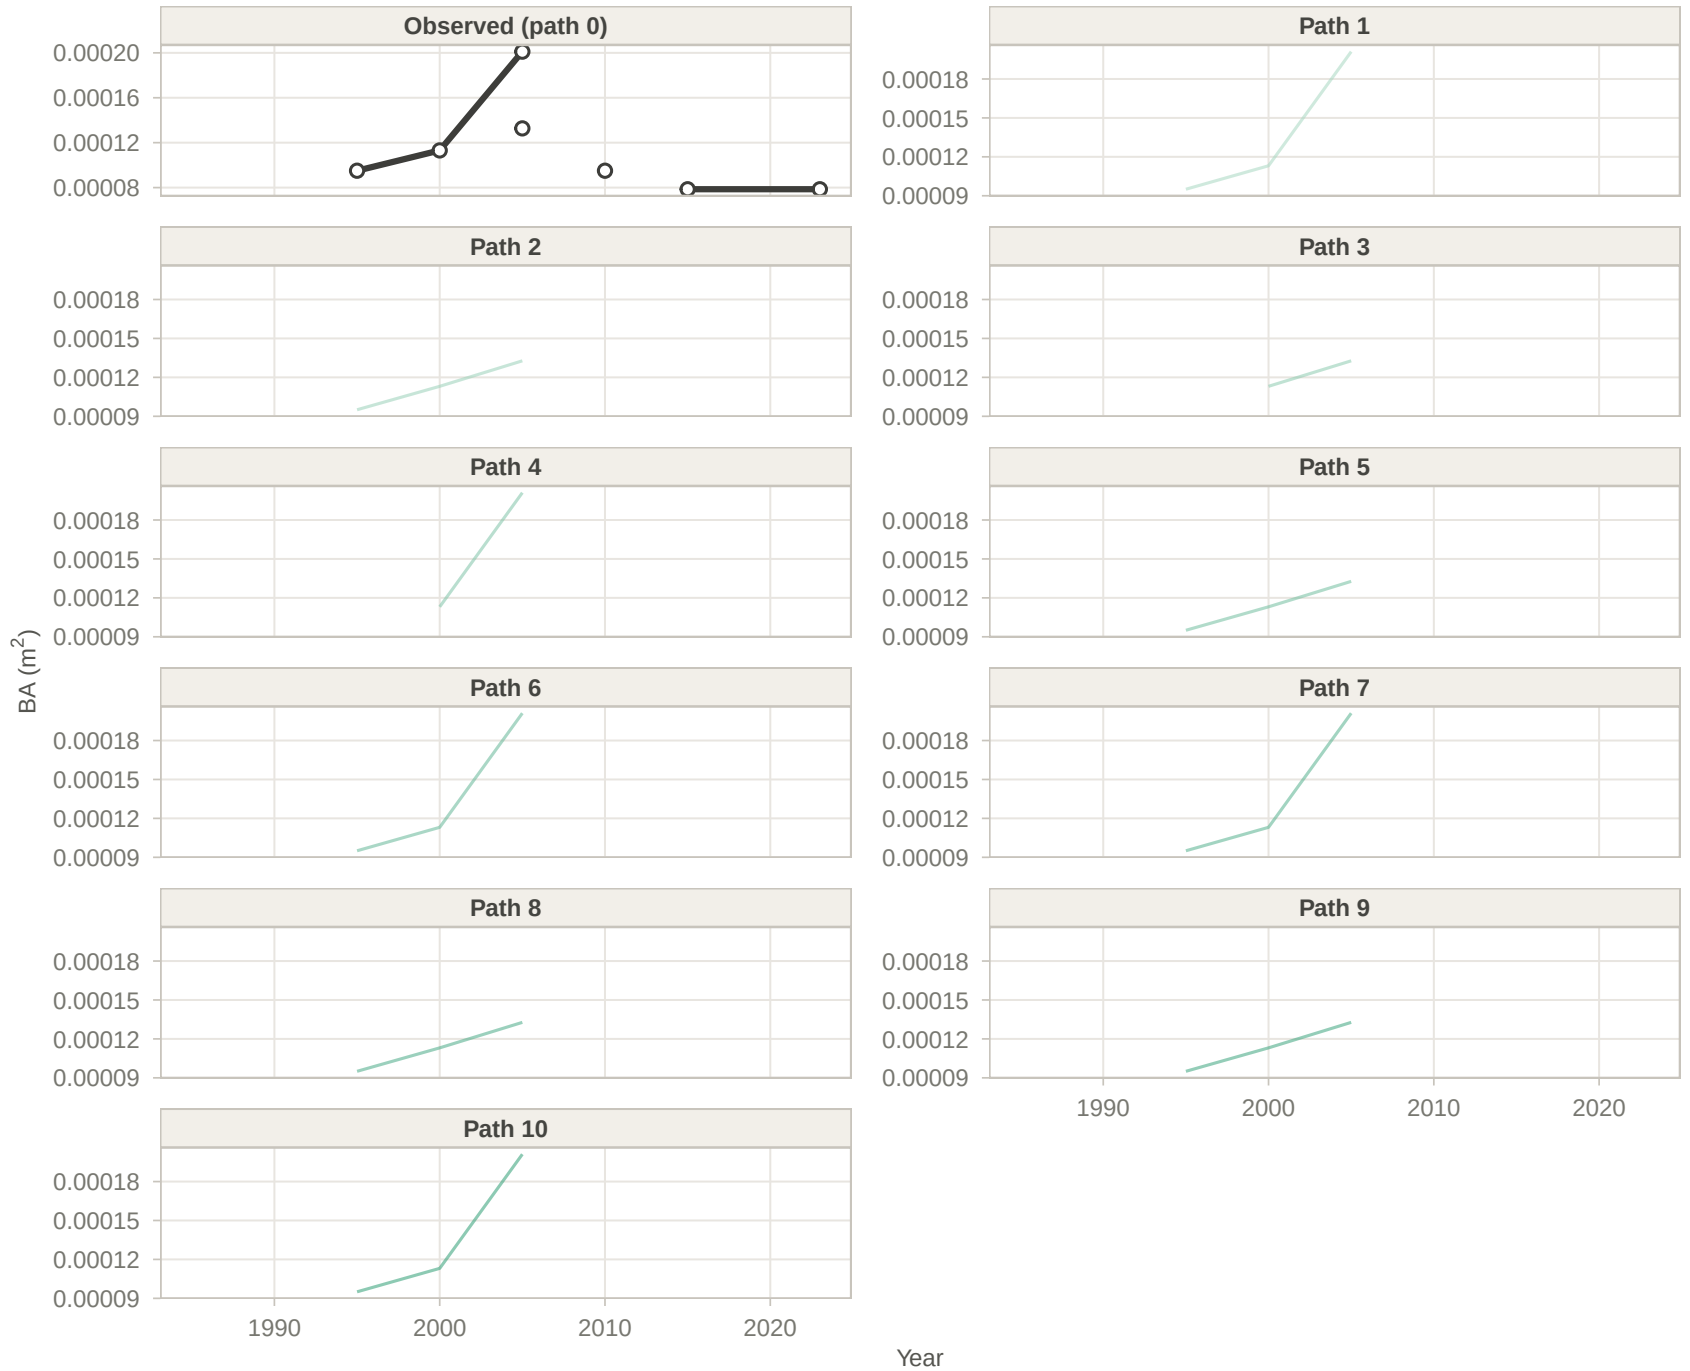

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

BA trajectories · treelID 325352

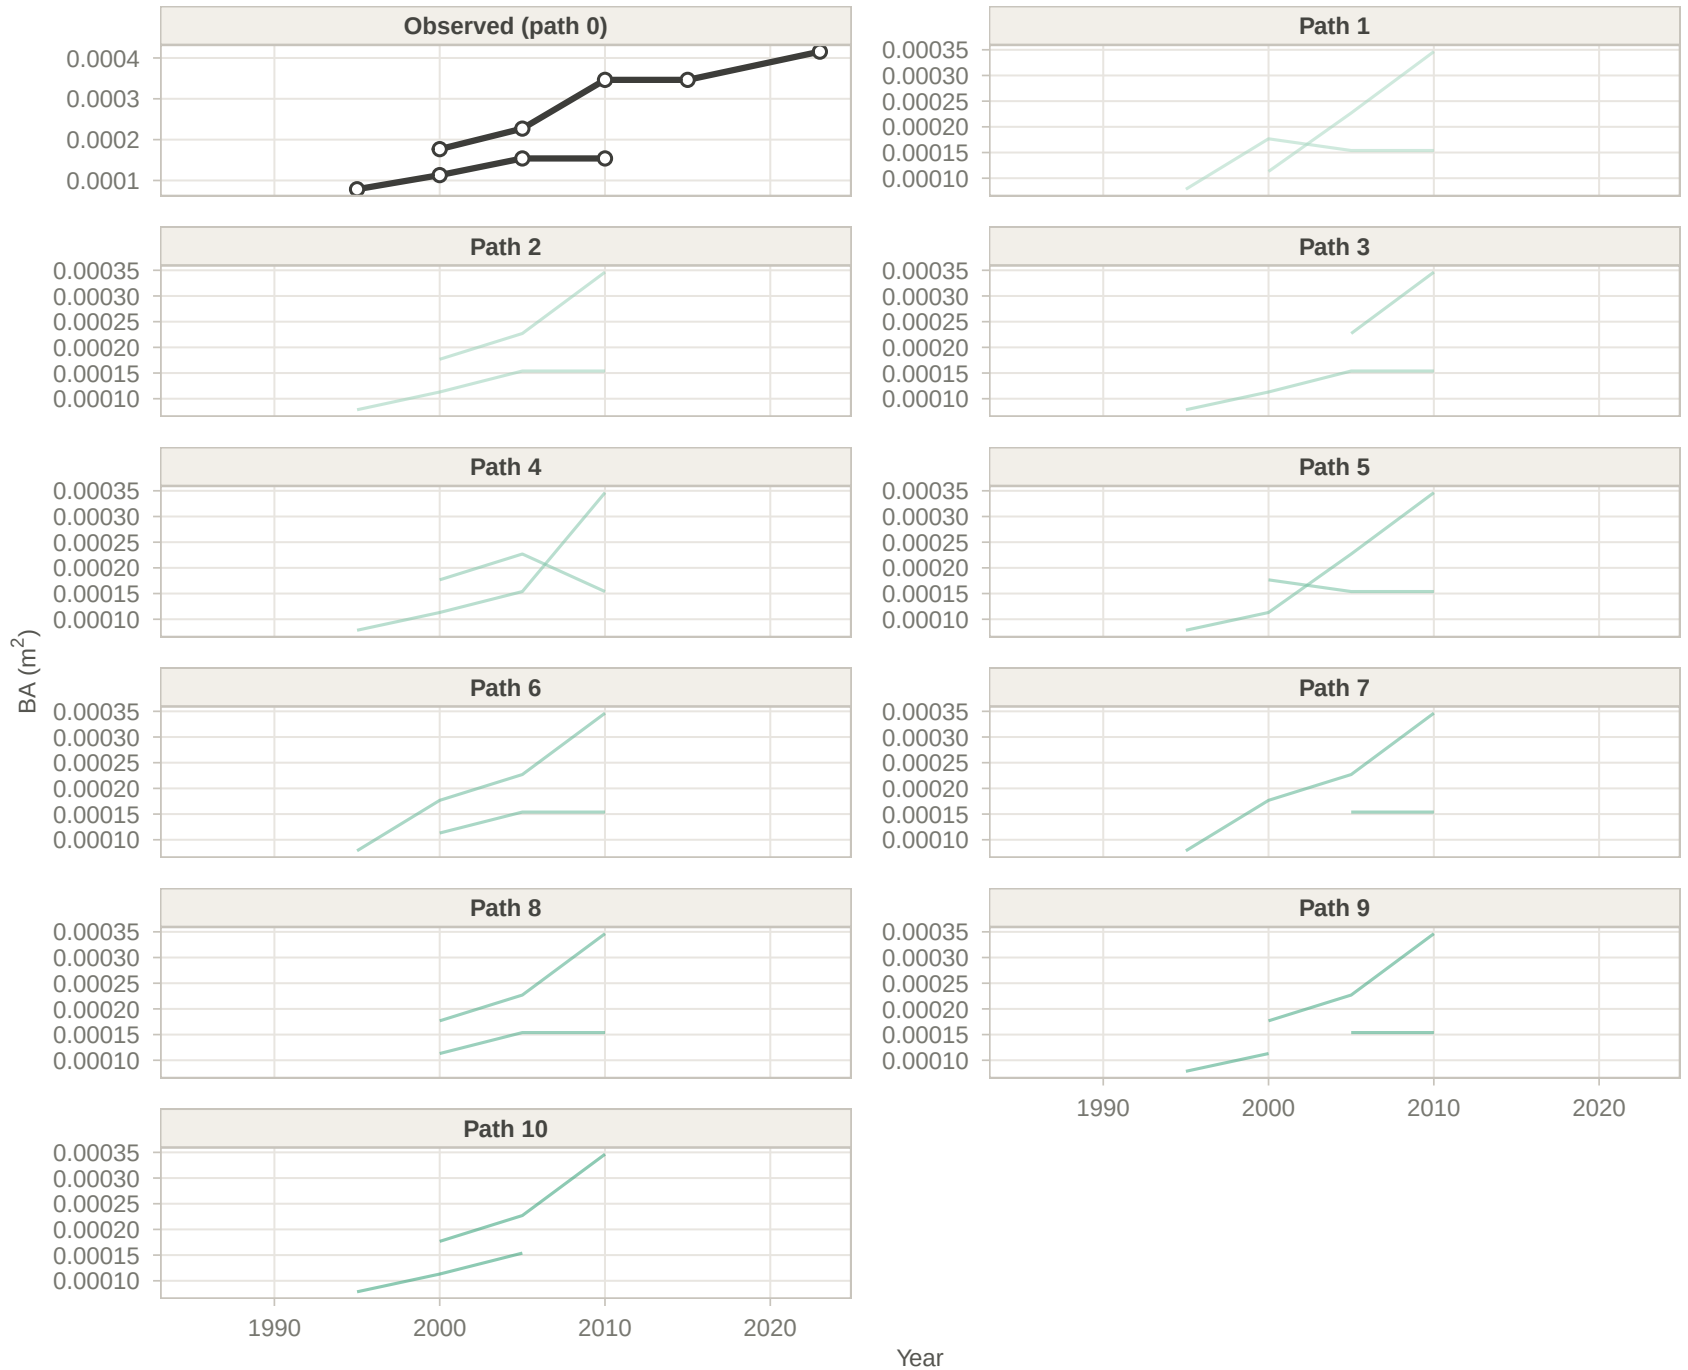

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

BA trajectories · treelID 307308

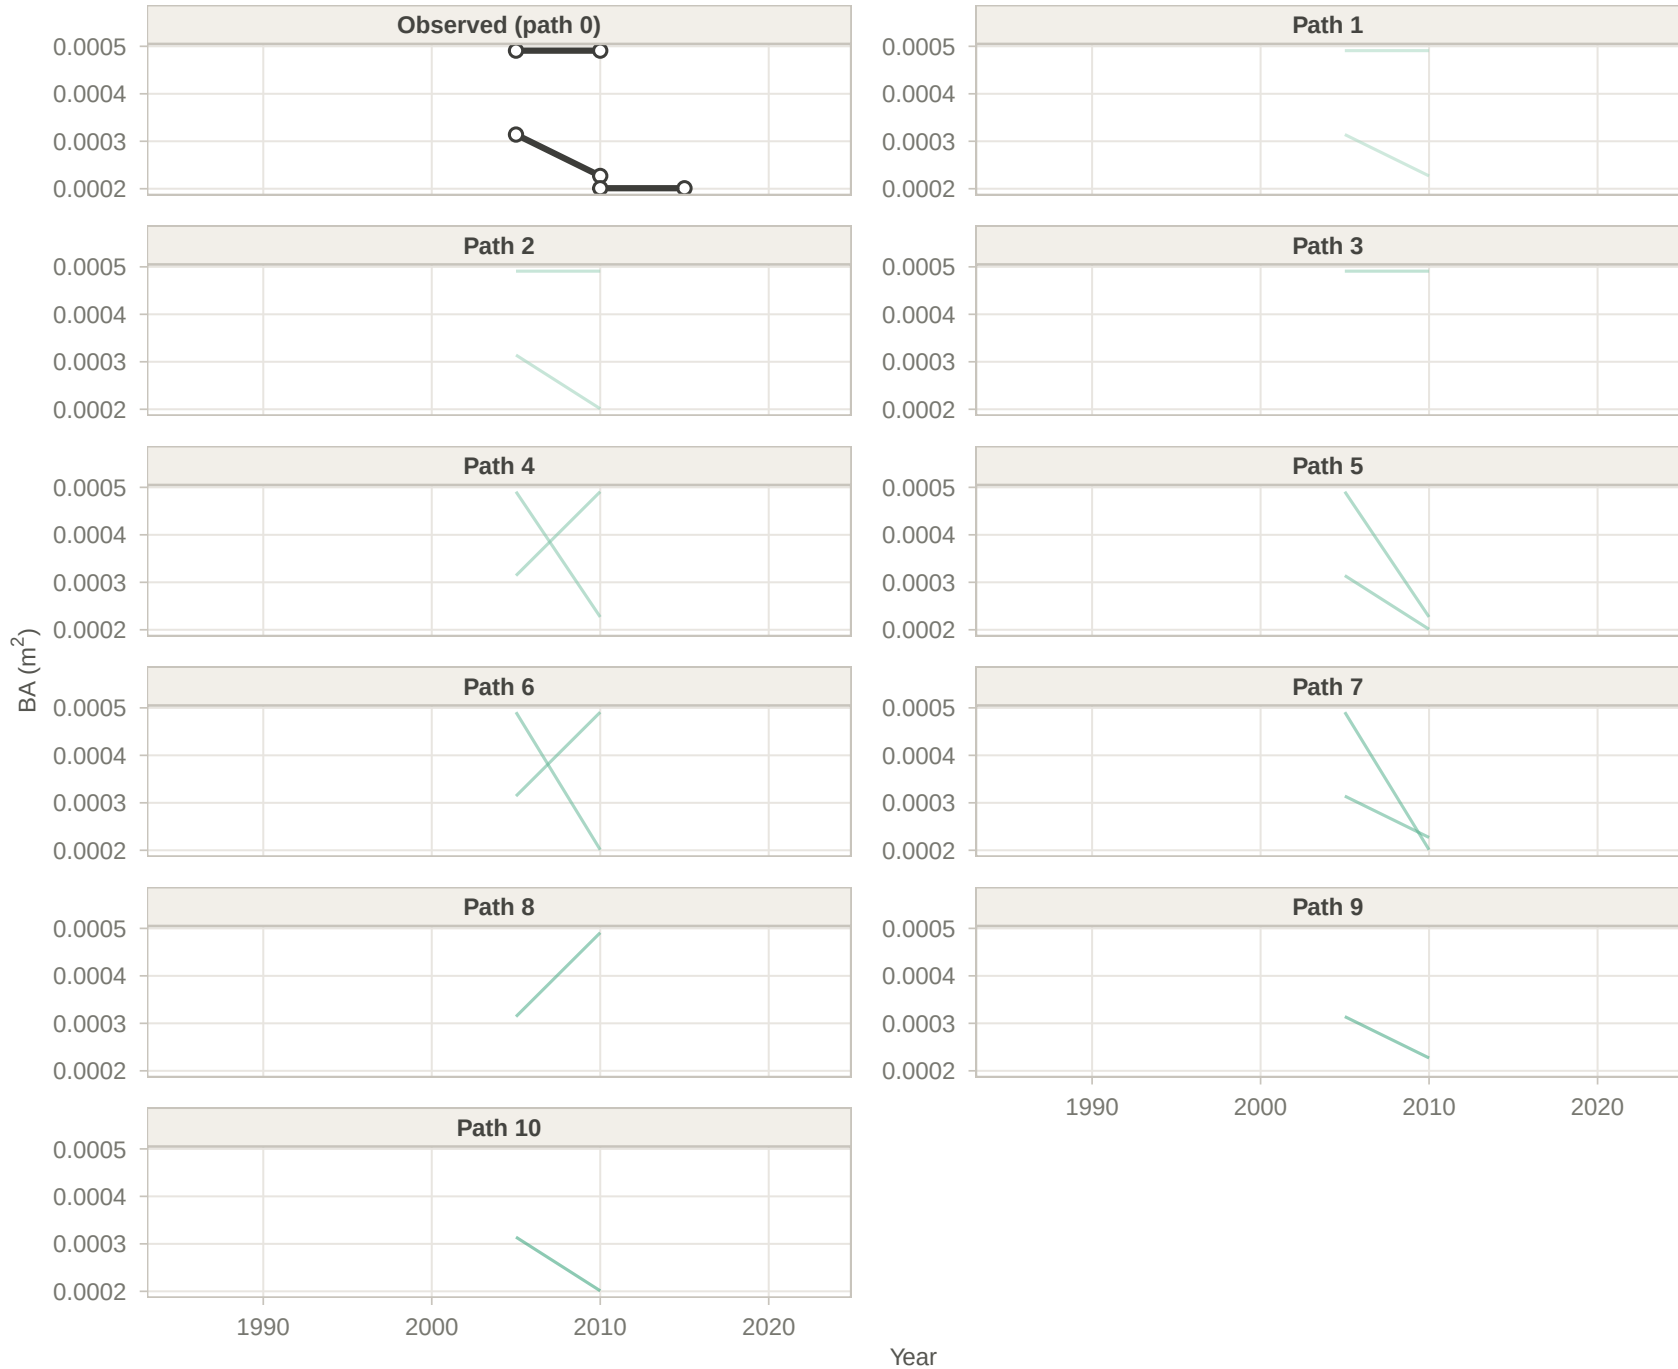

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

BA trajectories · treelID 351472

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal
