

BA trajectories · treeID 216015

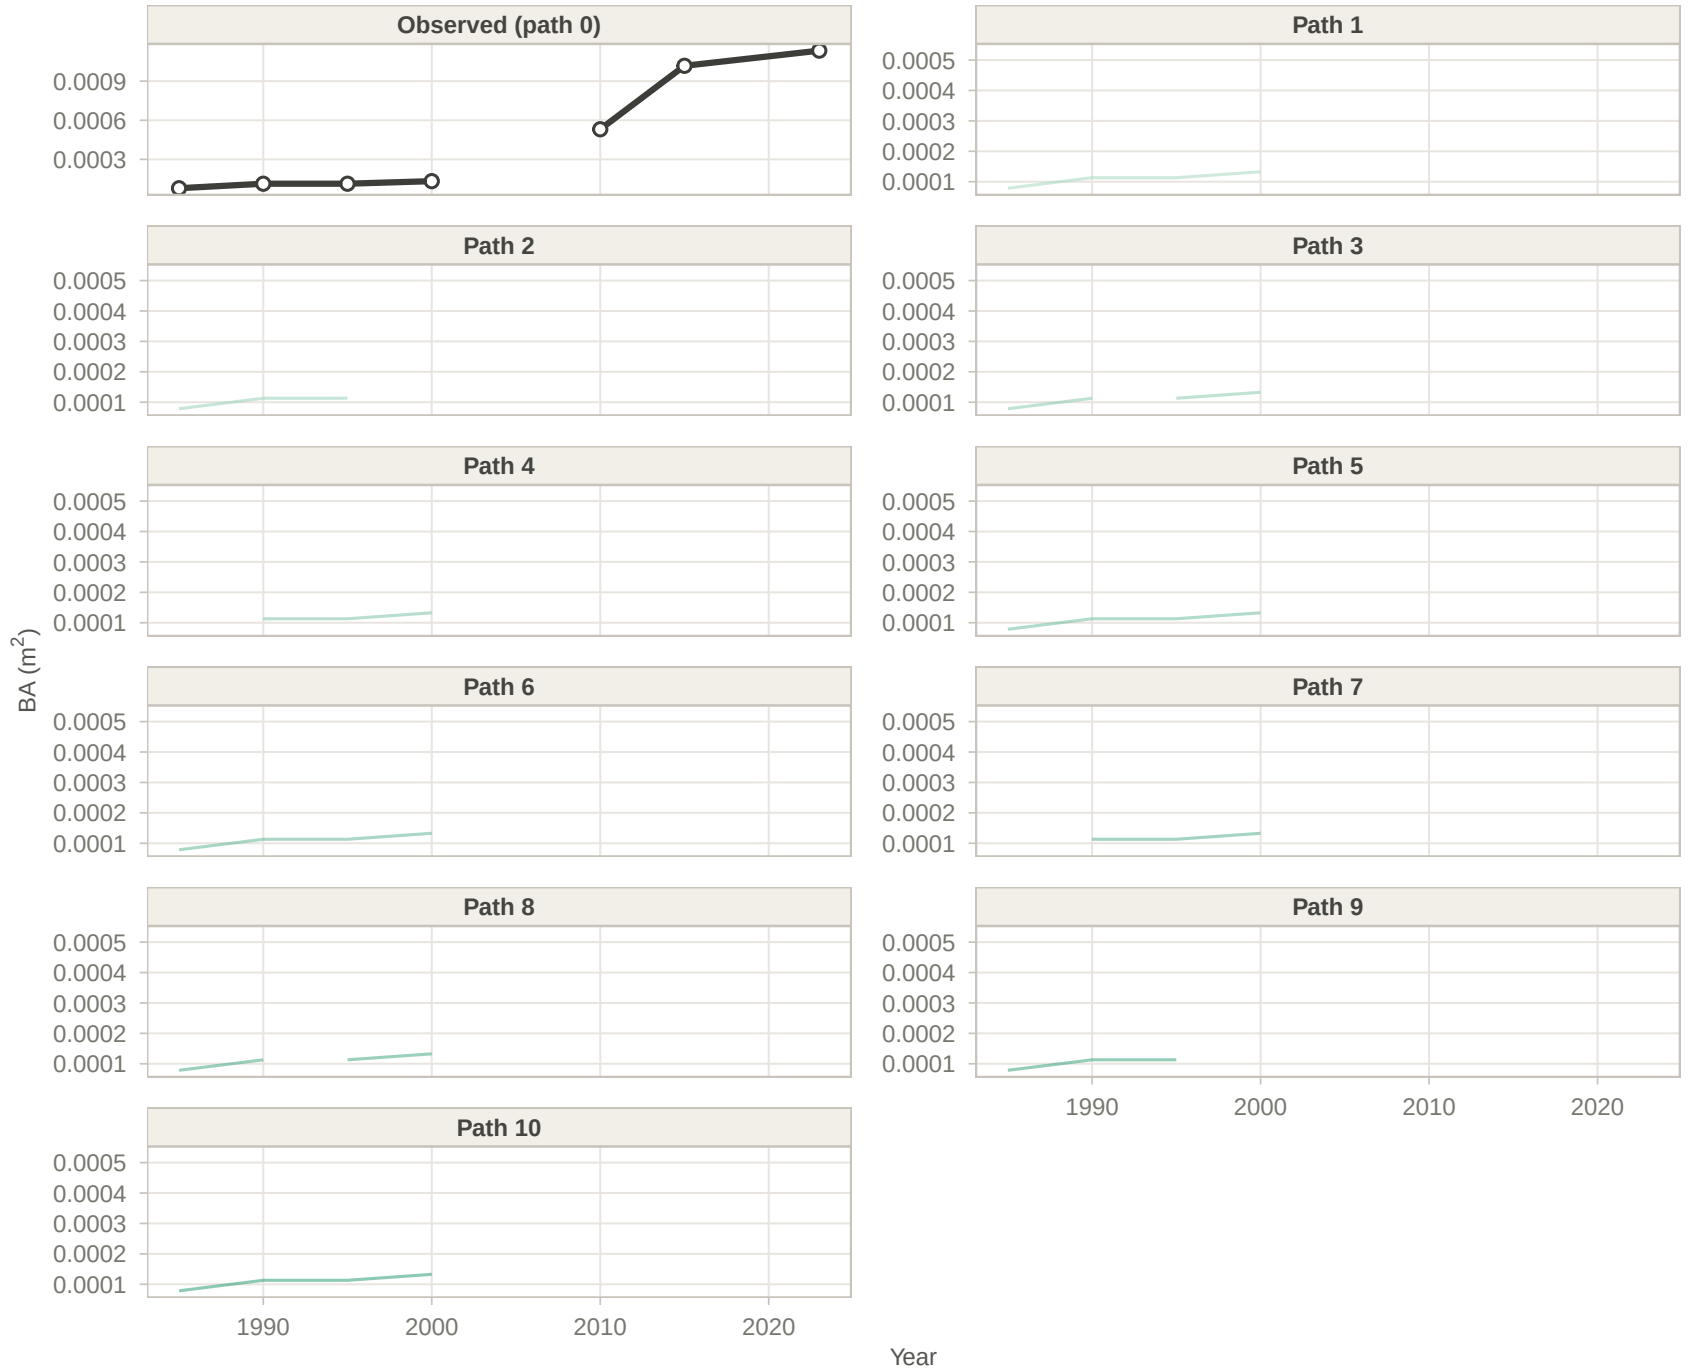

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

BA trajectories · treelID 16897

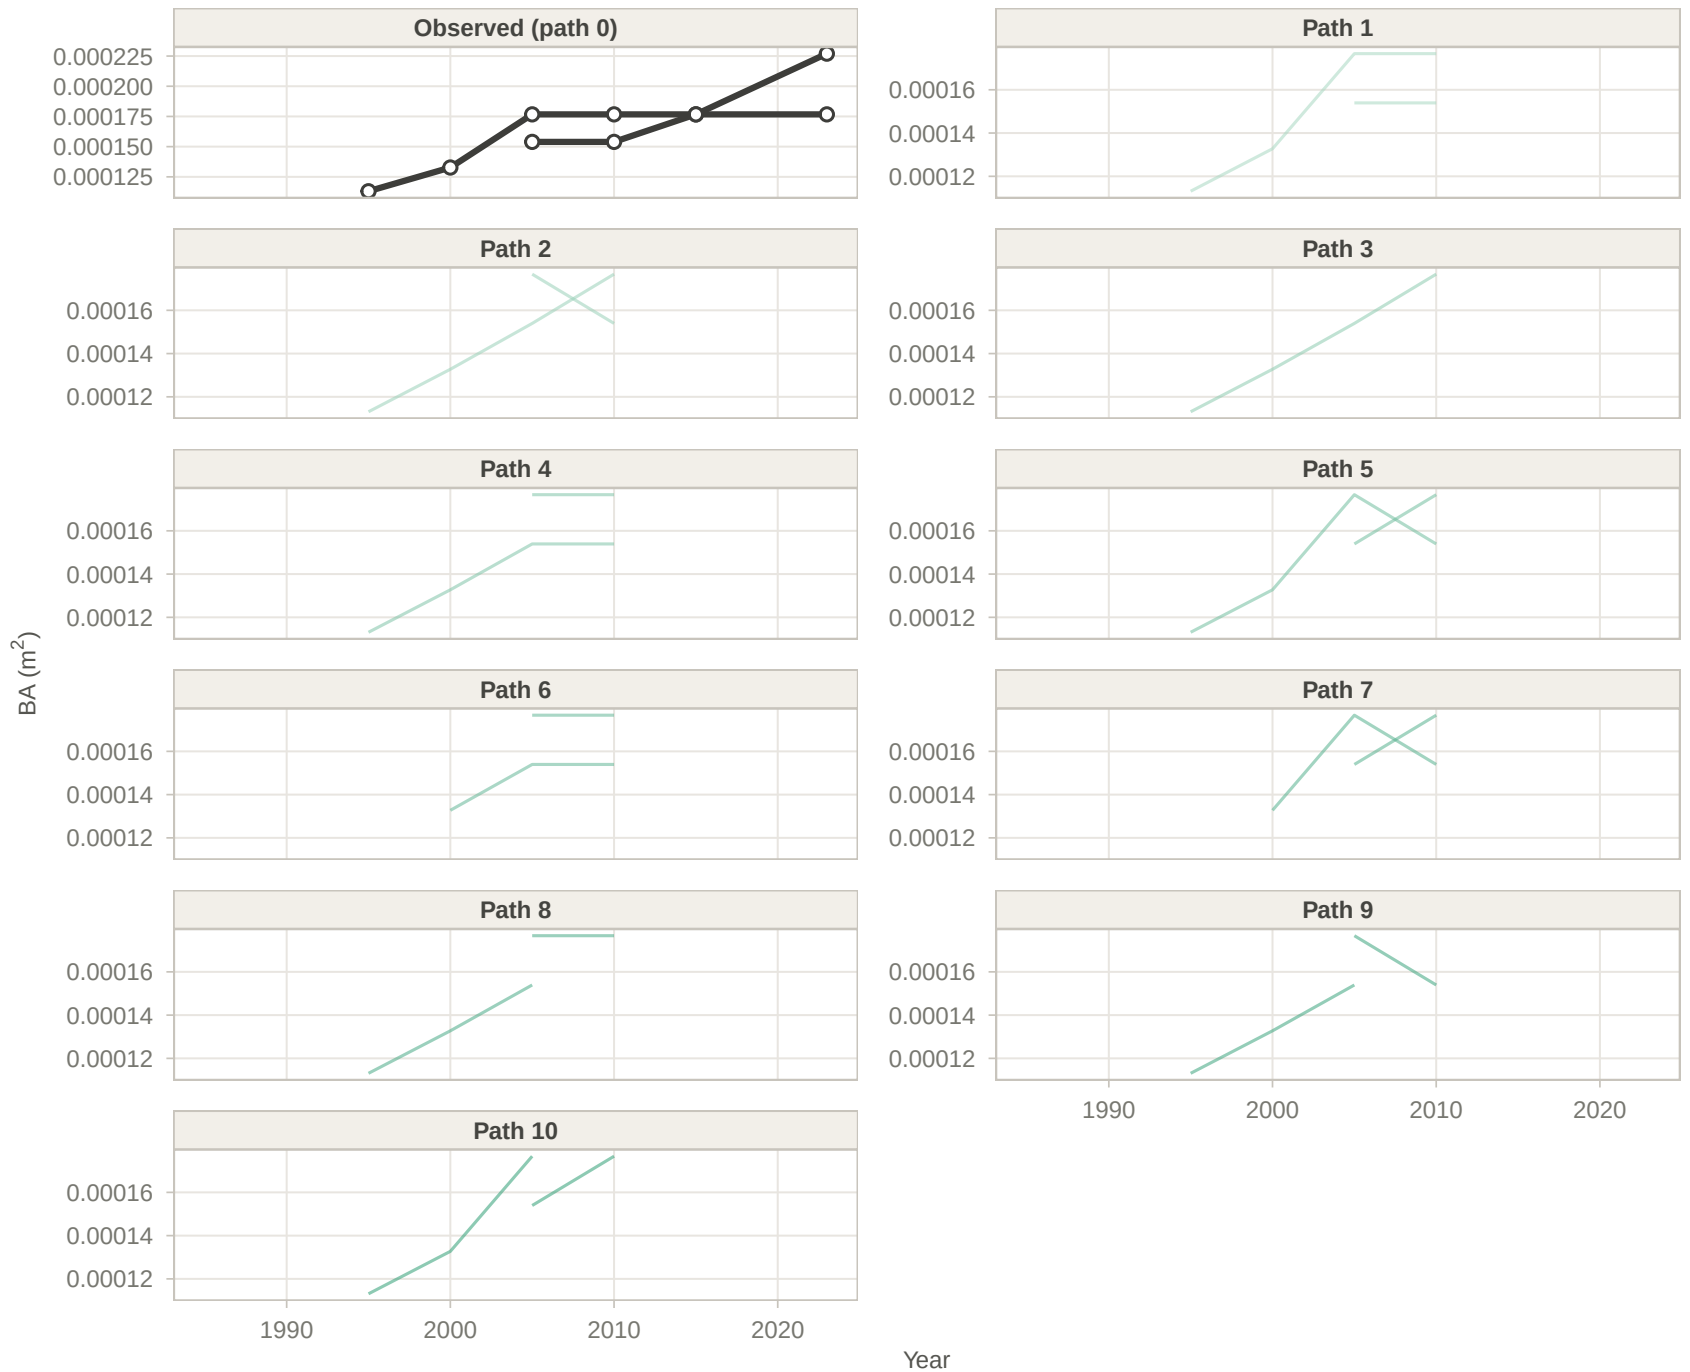

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

BA trajectories · treeID 325359

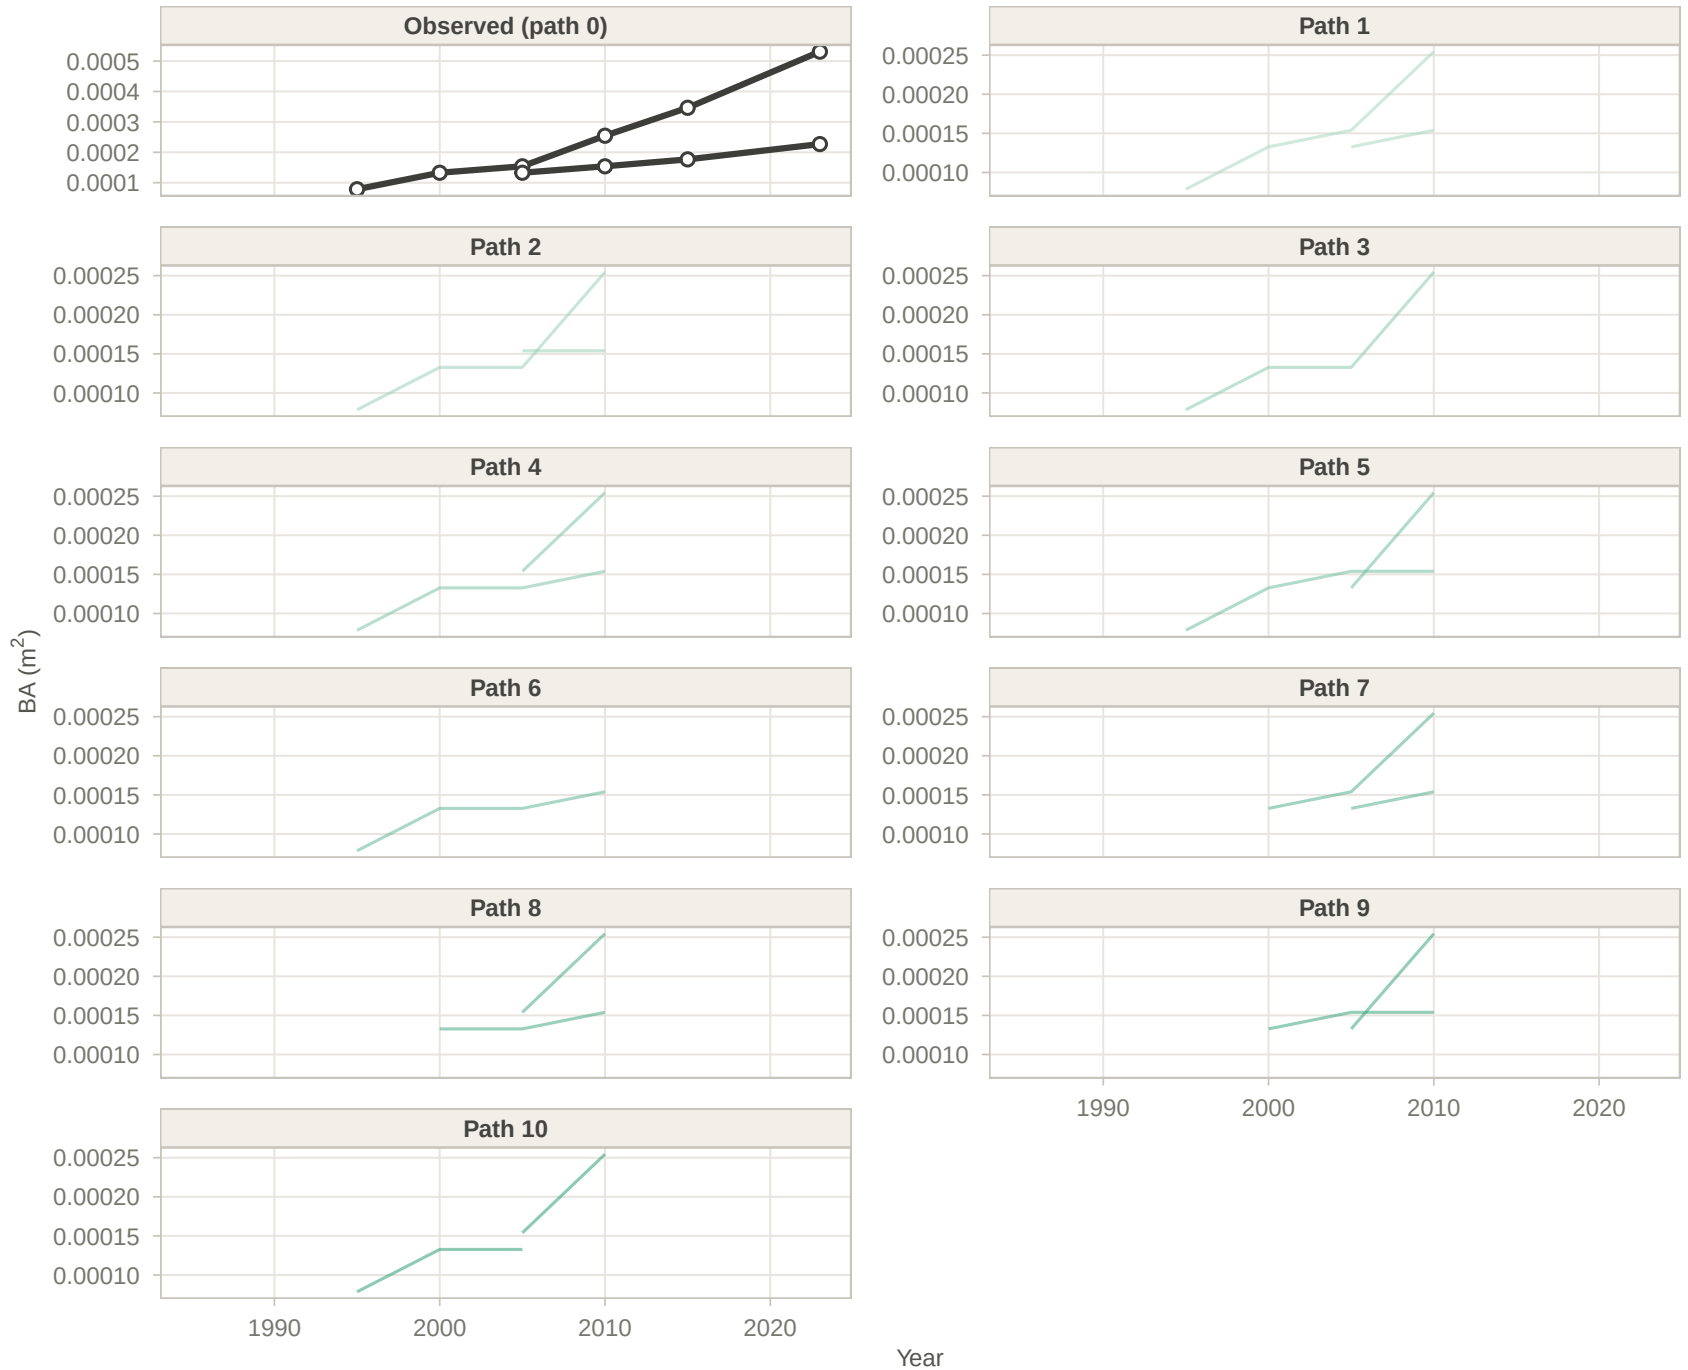

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal

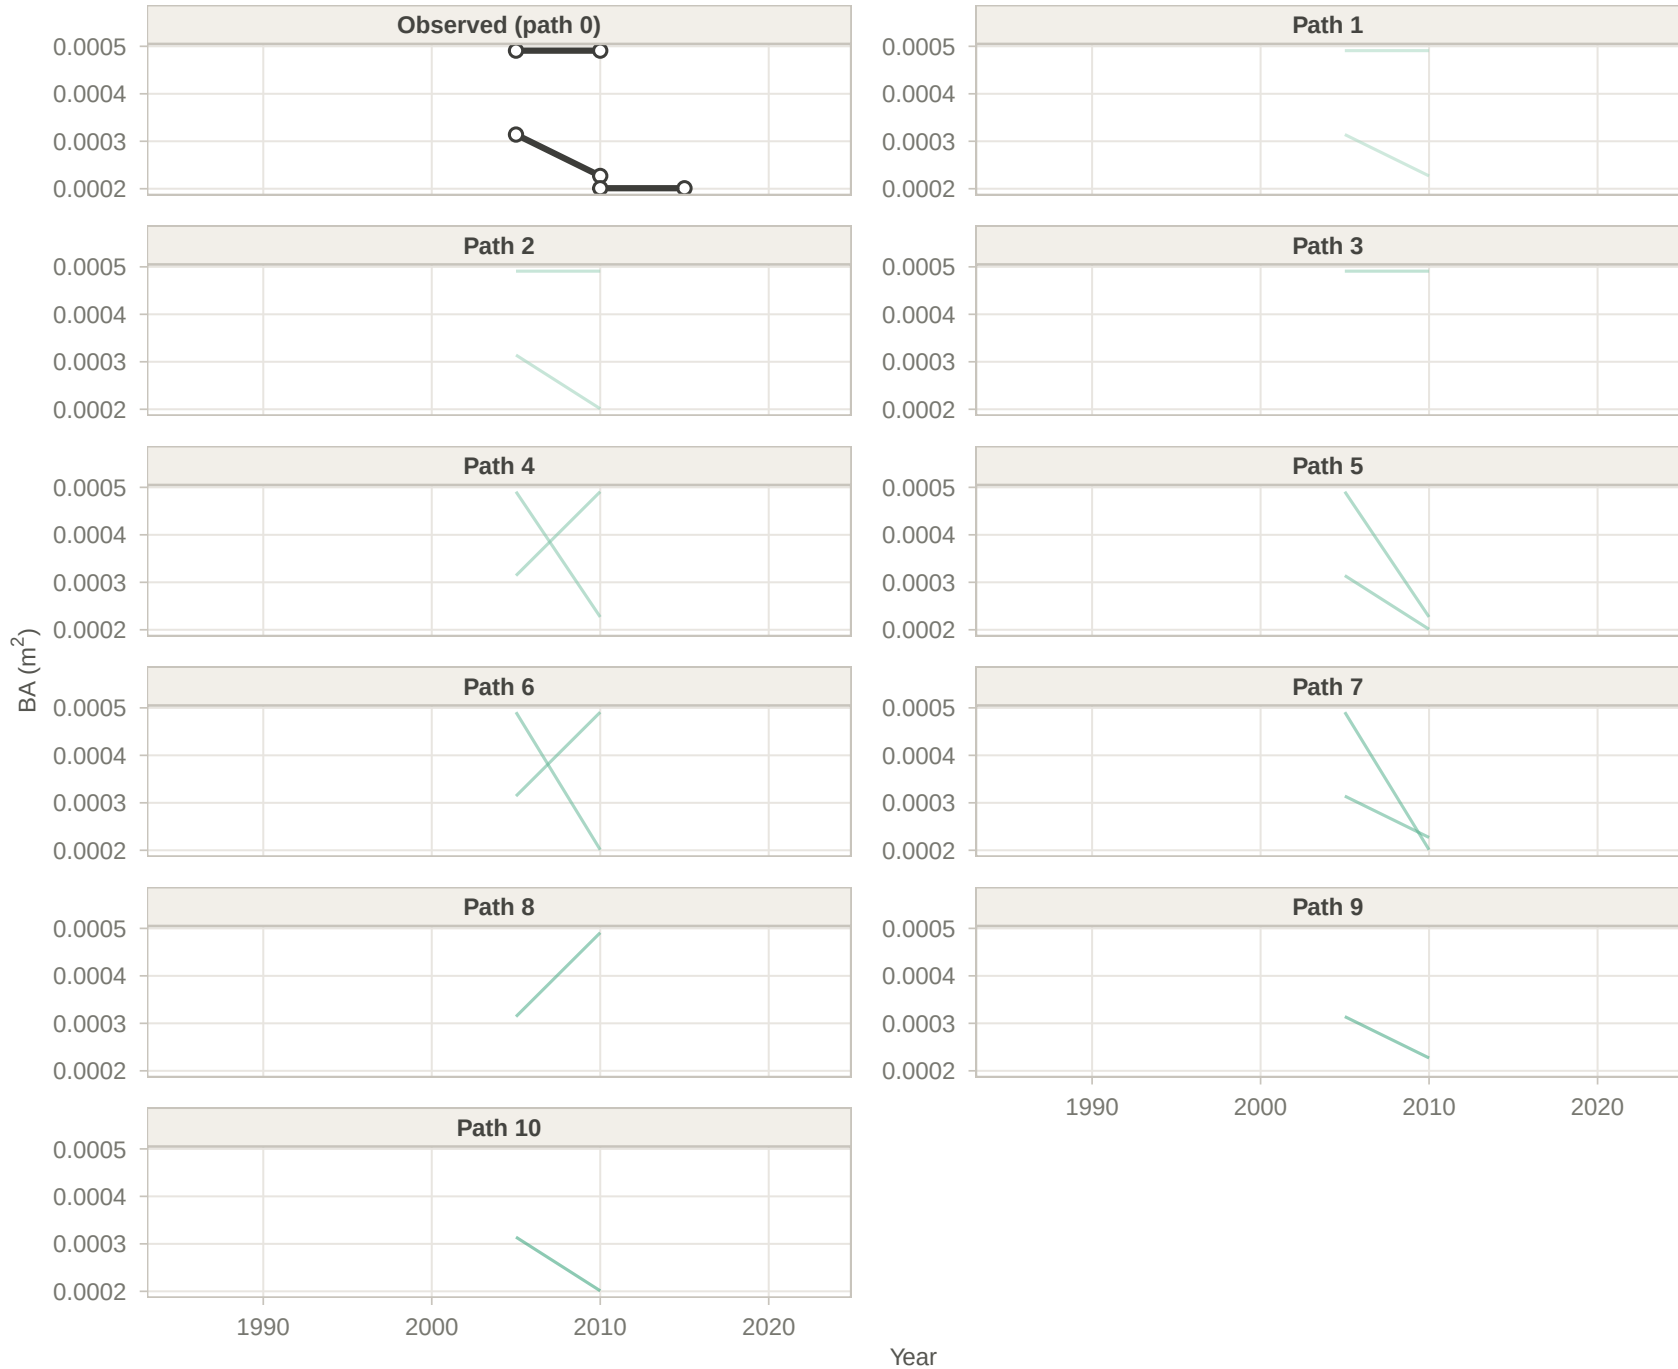

BA trajectories · treelID 308165

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

BA trajectories · treelID 351472

Each panel = one posterior reconstruction path · Path 0 = observed record (charcoal) · 10 modelled path(s)

Modelled paths in green; observed in charcoal
